

STATE OF WASHINGTON CERTIFIED BACKFLOW ASSEMBLY TESTERS

This is not a complete list of all certified testers in this state. Highline Water District makes no representation regarding the abilities, performance or quality of service of the testers listed below. Further, Highline Water District does not assume or accept any responsibilities for the actions or performance of such testers. This list is provided merely for the convenience of the water service customers who are advised to use their own judgment with respect to contracting with these or any testers. The cost for backflow assembly tests typically range from \$45.00 to \$100.00, or more.
